1. Whole grant Valid under the Rules.
2. I have seen this temple several times, first on the 6th of September last. It is a good building of some architecture, but abandoned and in a ruinous state, with no door - so that animals can get in easily. Service was not carried on. The inmates of the relief House which was established closely were occupying it. The amount of filth and dirt in the temple was unbearable. Had the Poojari who enjoys the money grant taken the slightest precaution to provide a door, at little expence; the building would not have come to its present state. The temple is moreover leaky in all places, and the Poojari pleads his inability to repair it. Vide Amildar's Itillah No. 574 dated 9th December 1877.
3. I am of opinion, that the grant should be resumed. Government taking care of the building as a piece of ancient architecture.
